

Thermor

SOPRANO SENSE 2 SOPRANO SENSE 2 WI-FI

Innovation of a premium HD panel
with Ecoboost functions

CHARACTERISTICS

COMFORT

- HD heating panel: Efficient and homogeneous heat distribution on the appliance surface for faster heating and more comfort
- Easy prog 24/7 associated with Ecoboost: Program your device according to your life rhythm for greater comfort & savings
- Class II and IP 24 protection with dual electric insulation for ultimate safety
- Sheathed heating element with an aluminium diffuser
- Automatic overheating safety device and anti-tilt system

DESIGN

- Premium HD heating panel
- Front air outlet wings
- Colour: White (RAL 9016)

USER-FRIENDLINESS

- 3 modes: Manual/Prog/Auto
- Ergonomic LCD digital controls
- Easy installation: H-shaped vertical support
- Model with standing kit and plug (optional)

SAVINGS

- Auto/Boost function associated with absence/presence sensor, for reduced energy consumption & more comfort
- Up to 35% energy savings*
- High-precision electronic thermostat
- ErP-compliant

WI-FI CONNECTIVITY**

- Remote piloting via the Cozytouch application (available on Google Play and Apple Store)
- Electricity consumption follow-up
- Comfort and savings management
- Programming modes

Available 1st quarter 2019

HD HEATING PANEL
1000 TO 2000 W
